A Wine Business designed for the General Public to the Wine Connoisseur

Have you considered wine investment .. Why not!

Lafite Rothschild wine is one of the best performer from Bordeaux area. A dream wine to own for a connoisseur . Due to Lafite small production (around 16,000 cases a year) this wine is very limited to the public and business. The Chateau Lafite is available in different case format 12x 75l bottles 6x75cl bottles ,3x 75cl bottles ,but other sizes bottle too. This superb wine does have a life window of around 40+years and does go up in value with a performance second to none (see below chart).

Also, to secure your wine investment dfrwine offer the Gold rouge wine collection A great collection with a 7% tax free yearly growth, this over the next 4 years period and cellar free of charge. This mean in 4 years, if the wine price go down or even stay the same ,you will still make a profit of 31%. With the guaranty to purchase back the wine from you and no commission fee for the sell.
